***The undersigned grower/wild-crafter/farmer guarantees that:***

The information provided above is correct to the best of their knowledge.

The herbs were harvested a minimum of 100 yards from any well-travelled road.

Adjacent to the harvest site there are no sources of pollution such as power lines, railroads, industrial sites, etc.

The harvest site has no known history of use of herbicides, pesticides, or chemical fertilizers, and that the herbs have never been fumigated or irradiated.

Harvesting was done with regard towards preservation of wild plant populations.
